## **EXPLANTORY NOTES**

**Every attempt has been to compile this Index as fully and correctly as possible; however due to the lack or loss of records over the years, it is not complete.**

**This is borne out by the inclusion of an 'Unidentified Grave' section.**

**Naturally there will be mistakes, and it would be appreciated if these could be brought to the attention of the Family History Society or Mr. Kevin Geaghan to facilitate correction.**

**For any further details on any entry please enquire at his office.**

-----

**Due to a 'quirk' in sorting in 'O' - names beginning with 'O' precede Oa etc.**

**Names pronounced Mc - either as Mc, Mac or MAC have been entered as Mc.**

**O.C. refers to Old Cemetery**

**C.C.R. refers to Catholic Church Records.**
